

RESOLUTION NO 2011-02

**A RESOLUTION ACCEPTING THE WATER STORAGE
AND TRANSMISSION IMPROVEMENTS FOR
THE ONE MILLION GALLON WATER STORAGE TANK
CONSTRUCTED BY RMC GENERAL CONTRACTORS
OF ALBUQUERQUE, NEW MEXICO**

WHEREAS the Village retained RMC General Contractors through a BID process to construct a one million water storage tank and associated distribution and transmission water lines; and

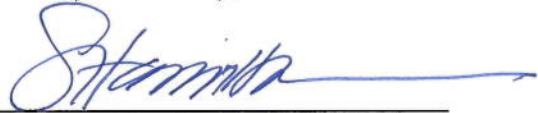

WHEREAS the final inspection was completed in November of 2010; and

WHEREAS the new facility passed all inspections; and

WHEREAS Dennis Engineer Company has recommended that the Angel Fire Village Council accept said improvements for maintenance.

NOW THEREFORE BE IT RESOLVED by the Angel Fire Village Council to accept the one million gallon water storage tank and associated water system improvement constructed by RMC General Contractors for maintenance.

PASSED, APPROVED AND ADOPTED this 11th day of January, 2011

Mayor Stuart Hamilton

ATTEST:

Terry Cordova, Village Clerk
